

Lower Pottsgrove Township
Parks and Recreation Meeting
Tuesday, May 27, 2014

The regularly scheduled Parks and Recreation meeting was held Tuesday, May 27, 2014 and was called to order at 7:05PM. The following were in attendance:

Rich Wood, Chairperson
Bill Keohane
Tom Troutman

Jennifer Griffith

A motion was made by Mr. Troutman to approve the minutes. The motion was seconded by Mr. Keohane and carried with a 3-0 vote.

OLD BUSINESS

CDBG Application - Ms. Griffith provided an update that the representatives from Montgomery County responded to Mr. Wagner on the census information for the grant application. The Township falls into the allotted category and the application will be submitted under the "low / moderate income benefit". This means all the proposed improvements will be submitted for approval.

Gerald Richards Park - The Board continued discussion on the plans for Gerald Richards Park. There was discussion on what part of the Simone Collins plans the Township owns. Do we have topographic maps or surveys? Ms. Griffith will investigate what was included in the price of the Master Plans that Simone Collins prepared. After much discussion it was decided that before the Board goes out for grant money or fundraising there needs to be a comprehensive plan for the design of the Park and then a budget as to how much funding is needed.

The Board also discussed revisiting the Sports Organization Cooperative meetings to get more input from the organizations that use the park the most. An invitation will be extended to those that use the fields most for the next meeting: soccer, little league, lacrosse and softball will all be invited.

NEW BUSINESS

There was no new business to discuss.
