David Richards, Treasurer	Stephen Kalis, Solicitor

Joseph McGeehan	

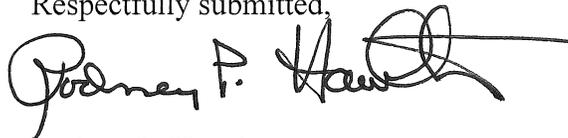

The Lower Pottsgrove Township Authority met to discuss financing options for our new force main which will be installed from our Sanatoga Pump Station to the Borough treatment plant.

Gordon Walker of the PFM Group was in to discuss options concerning the financing of the force main project and paying off past bond issues. If we pay off the Emmaus Bond issue first this will free up monies for the Authority.

Mr. Walker has already provided the Authority with options A through D and after discussion would like to hear more at a future meeting to discuss option C-1 a modification of option C. That will be discussed when all four members of the board are in attendance along with the professional staff.

There being no further business, the meeting adjourned.

Respectfully submitted,

Rodney P. Hawthorne
Manager
