TOWNSHIP STAFF REPORT

Updates on Township Parks

Mrs. Henderson stated that John Fogel from the public works cut down three (3) trees that were dead at Sanatoga Park. He also removed some graffiti from the bandshell and men's bathroom door. Unfortunately, the graffiti was there during the June 26th concert. Ms. Meehan stated that she had seen out in Pittsburgh a factory was getting done as a historical site and they had problems with graffiti. They dedicated a wall for people to put graffiti on it as long as it is appropriate. It had alleviated the graffiti issue in and around the historical site. Mr. Fogel has a special graffiti remover that he uses to remove it. Mulch was spread under the playground equipment at Gerald Richards Park and the trail has been repaved. Mrs. Henderson stated that we had ordered the playground equipment for Sanatoga Park it should be delivered sometime in September.

Update on Summer Concert Series

Mrs. Henderson stated that we had our first summer concert "Where's Pete" played this past Sunday. We had a respectable number of residents who came out to participate. There was particularly valuable feedback from the residents regarding the band. The next band to play is "Flamin' Dicks and the Hot Rods" on Sunday, July 10th at 6:00pm.

Update on Community Days

Mrs. Henderson stated that we got a sponsorship letter from the Limerick Generating Station Employee's Association for \$2000. Mr. Van Bramer stated that the Little League would like to set up a table at community days.
